Levon Mgrdichian Opposer Vs GLOBAL SPIRITS; AMG-77 LIMITED Applicant	Opposition No. MARK: GLOBAL SPIRITS Serial No. 79109173
---	--

OPPOSER'S NOTICE OF OPPOSITION

In the matter of U.S. Trademark Application Serial 79109173, filed on December 23, 2011, filed by GLOBAL SPIRITS; AMG-77 LIMITED ("Applicant"), and published for opposition in the Official Gazette of the United States Patent and Trademark Office on January 29, 2013 for the trademark for GLOBAL SPIRITS as applied to the goods listed in International Class 033 (the "Infringing Application").

Levon Mgrdichian, an individual and citizen of Canada maintaining a principal address at 130 Jefferson Forest Dr, Richmond Hill L4E4J8, Canada ("Opposer"), believes that he has been and damaged and will continue to be damaged by the registration of the GLOBAL SPIRITS mark (the "Infringing Mark") and hereby opposes the same.

As grounds for the cancellation, Opposer, by and through his attorneys, alleges as follows:

1. Opposer is an individual and citizen of Canada, with a principal address at 130 Jefferson Forest Dr, Richmond Hill L4E4J8, Canada. Opposer is the owner of the pending United States trademark application for the standard character mark GLOBAL VODKA (US Serial No. 85512394), filed on January 10, 2012 for goods and services in International Class 033. This application is live and pending. A copy of the application for this mark is attached as Exhibit A.
2. Applicant is the owner of the Infringing Application (U.S. Trademark Application Serial Number 79109173, the "Infringing Application").
3. The Infringing Application was filed by Applicant on December 23, 2011.
4. The Infringing Application was filed as a Section 66a application, alleging that the Infringing Mark was used in commerce in the United States as of the filing date.
5. On April 24, 2012, the United States Patent and Trademark Office issued an Office Action for Opposer's mark (US Serial No. 85512394) notifying Opposer of Applicant's GLOBAL SPIRITS application on the ground that it is a prior filed application and could be confusingly similar to Opposer's application.
6. The Infringing Application was published in the Official Gazette of the United States Patent and Trademark Office on January 29, 2013.
7. Opposer timely filed an extension to oppose the Infringing Application on February 23, 2013.
8. The Infringing Mark as filed in the Infringing Application is confusingly similar to the word mark as specified in Opposer's pending application Serial No. 85512394. The Infringing

Application also lists goods and services that are in part identical and highly similar to Opposer's listed goods and services in Serial No. 85512394.

9. Thus, Opposer will be damaged by the registration of the Infringing Application because that application is blocking Opposer's pending application (U.S. Trademark Application Serial number 85512394).

10. On December 23, 2011, in the Infringing Application, Applicant via its authorized representative, knowingly made a fraudulent statement in Applicant's application wherein it falsely claimed, "The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements may jeopardize the validity of the form or any resulting registration, declares that he/she is properly authorized to execute this form on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the form is being filed under 15 U.S.C. Section 1126(d) or (e), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true."

11. Applicant's declaration is false, as Applicant had no intention to use the Infringing Mark in commerce within the United States and has not used the Infringing Mark in commerce within the United States.

12. Applicant knowingly made a false, material misrepresentation of fact in connection with the Infringing Application when it made the false and fraudulent declaration referred to above.

13. The false and fraudulent declaration referred to above with respect to the Infringing Application was made with the intent to deceive the USPTO and that the USPTO rely upon the same.

14. The USPTO did rely on the false and fraudulent declaration when it acknowledged the filing of the application and allowed Applicant's Infringing Mark to proceed to publication in the Official Gazette.

15. As a result, Applicant willfully and knowingly perpetrated a fraud for Applicant's Infringing Mark on the United States Patent and Trademark Office.

16. Applicant is not entitled to Registration of the Infringing Mark and the Infringing Application as Applicant knowingly committed fraud when it filed the Infringing Application.

17. Had it been aware of the false and fraudulent declaration referred to above and of Applicant's knowingly fraudulent acts, the USPTO would not have accepted the filing of the Infringing Application, nor allow the Infringing Mark and Infringing Application to register.

18. Upon information and belief, Applicant has never used the Infringing Mark in commerce in the United States.

19. Upon information and belief, Applicant does not sell goods under the mark in connection with the claimed goods in International Class 033 within the United States. Applicant purportedly sells, *inter alia*, alcoholic beverages. The Applicant's website, www.globalspirits.com, identifies Applicant as "The largest alcoholic holding company in Eastern Europe" (see Exhibit B). Applicant does not offer any sales of its alcohol through its website under the GLOBAL SPIRITS name, and in fact have different names for all of its alcohol, which is "Khortytsya" (see Exhibit C). Even on its "Brands" tab, Applicant has different names for each of its offerings, none of which contain the applied for mark on the products or in relation to the products they allegedly offer (see Exhibit D).

Upon information and belief, Applicant offers no products branded with the Infringing Mark in the United States.

20. On further information and belief, Applicant has not registered the name GLOBAL SPIRITS with the TTB as required by law (See Exhibit E). If Application was legally selling alcoholic beverages, one would expect to find the name on TTB's COLA listings. Its absence from the TTB register is further evidence of non-use.

21. Upon information and belief, Applicant has never actively used the Infringing Mark for the goods in International Class 033 for "Alcoholic beverages except beers" in the commerce within the United States.

22. By virtue of the foregoing, if the Infringing Mark is permitted to mature to registration with all the rights and privileges conferred on it by its status as a Principal Registration, Opposer will be damaged, including its inability to secure a registration for its GLOBAL VODKA mark, and Applicant will enjoy unlawful gain and advantage to which it is not entitled under the Lanham Act, 15, U.S.C. § § 1051 *et. seq.*

WHEREFORE, Opposer believes that it is and will be damaged by the Infringing Mark and Infringing Application, and hereby prays that Applicant's Mark be denied registration and that this Notice of Opposition be sustained in favor of Opposer.

Opposer has submitted its payment for this Notice of Opposition previously through electronic means.

Date: May 28, 2013

Respectfully submitted,

/Mitesh Patel/
